

GREAT LAKES JETAA

Events and Meetings
2015-2016

BONENKAI AND SHINENKAI

- ❖ With the span of our region the bonenkai and shinenkai alternate locations between the two states (Ohio and Michigan)

NEW JETS SEND OFF

- ❖ Annual Nijikai event held after the reception at the Consulate General's home
- ❖ 30+ attendees this year, both new JETs and Alumni
- ❖ Always a good opportunity for the new JETs to pick the alumni's brains and to advocate for JETAA

MEET UPS

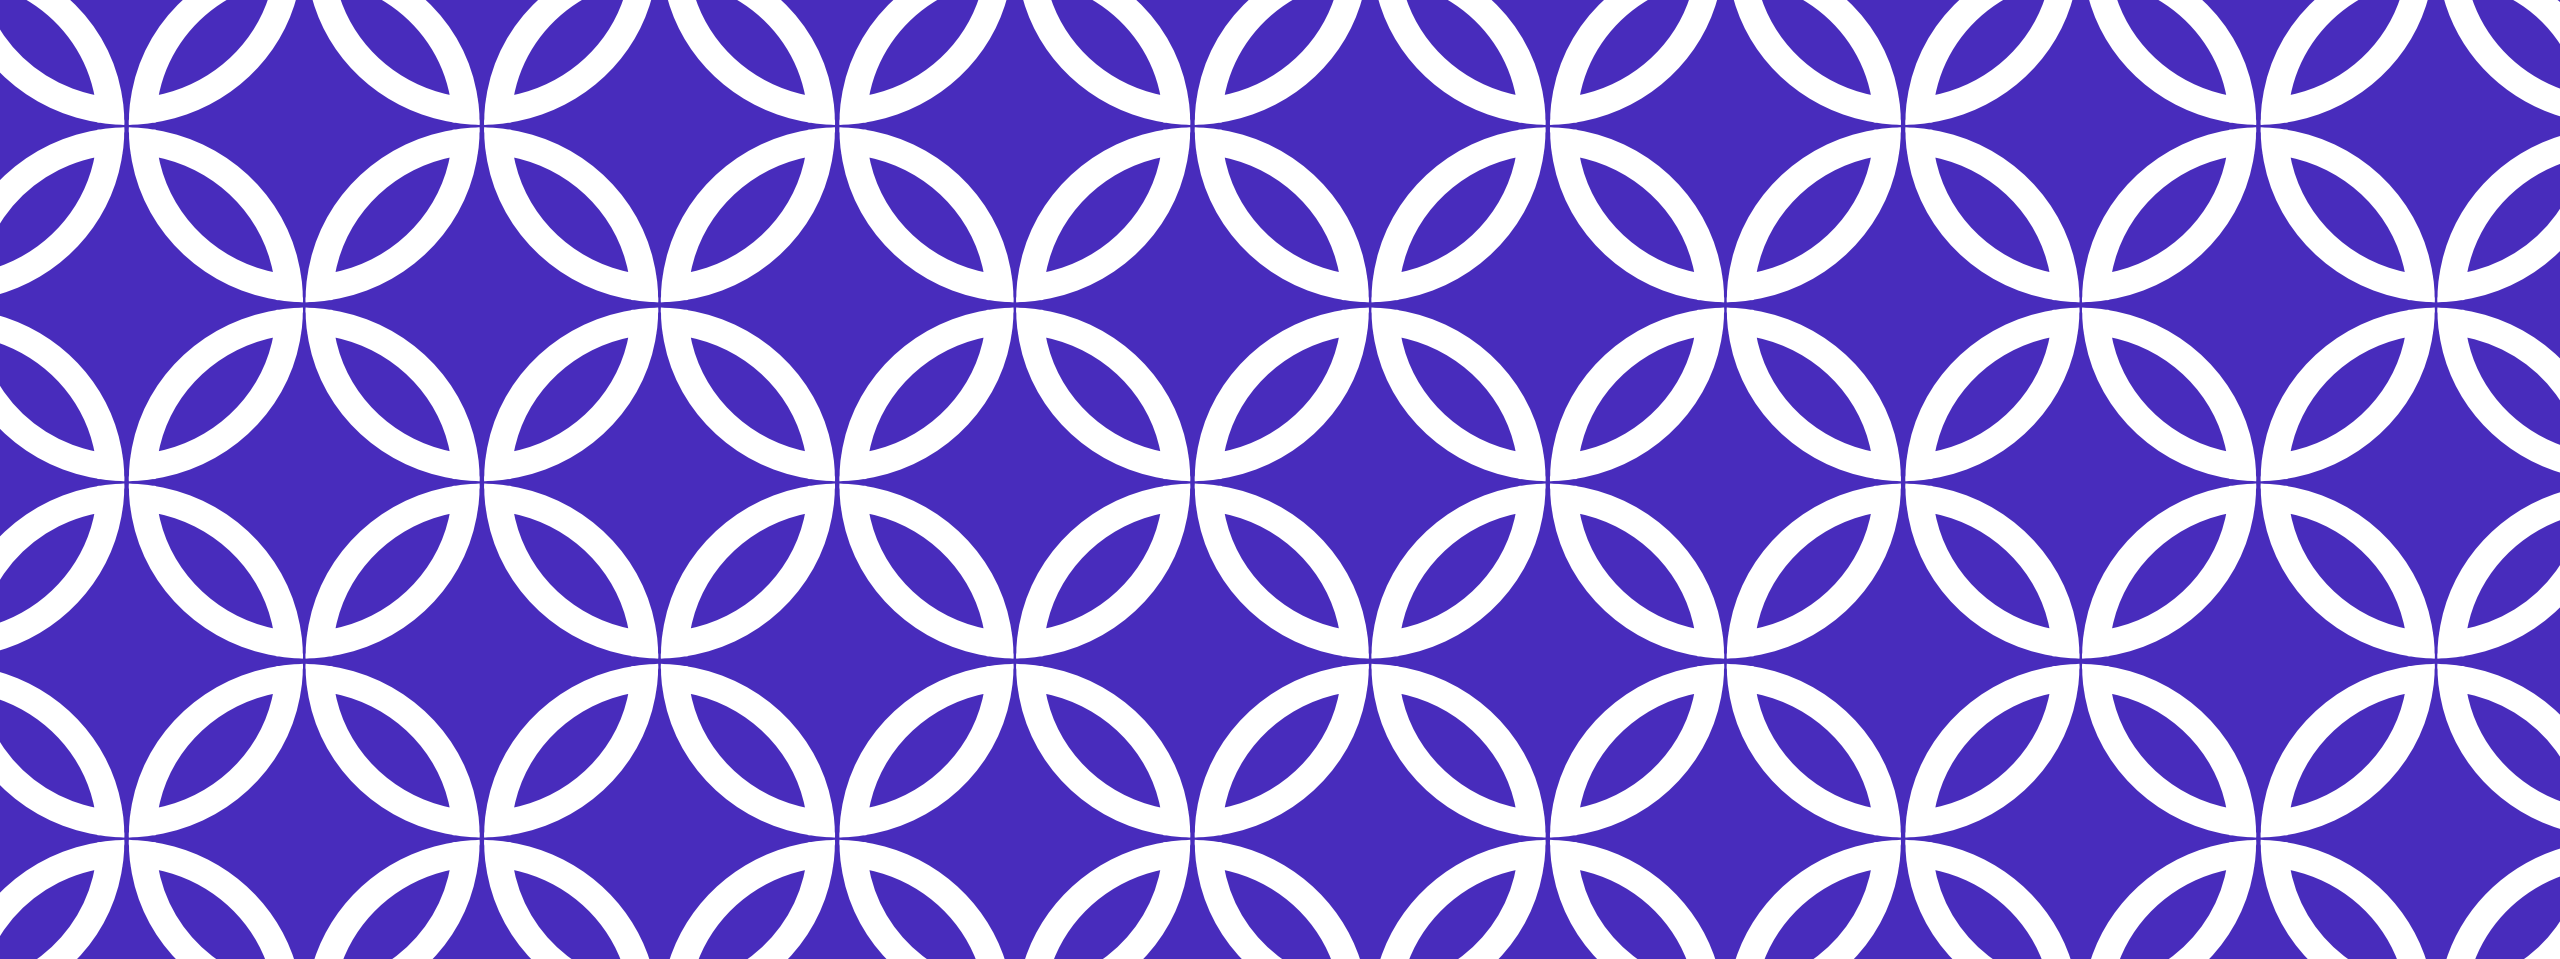

- ❖ Meet ups have long been a struggle for attendance
- ❖ Goals are to create varied events, both in theme and location
- ❖ Recently much interest has been expressed and attendance numbers are trending up
- ❖ We created a survey to gauge interest in specific events

IN THE WORKS FOR GREAT LAKES

With the new board has come a host of new ideas we hope to bring to life:

- Job Fair—planned for January, aiming to be an annual event
- Cider Mill
- Cedar Point
- Japanese Garden in Grand Rapids
- Varied monthly meet-ups post board meetings
- Hanami
