

JET Crash Course

Description

- JETs learned how to be JETs with a day-long crash course filled with ESL training with Japanese students.

Details

- Morning: Outgoing JETs joined JET Alumni for an EFL Teaching & Japanese crash course. JETs spent the morning learning some fundamentals of English language teaching.
- Afternoon: JETs used those skills to create basic lesson plans and instruct Showa student volunteers.

Tips

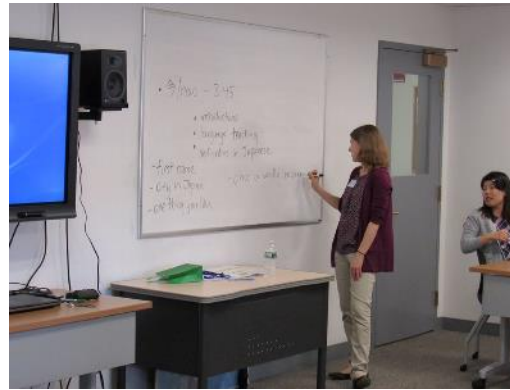

- Reach out to JET alums who embraced ESL as a profession and who want to give back
- Do they work at a language school?
- See if consulate will pay for it
