

Cider Mill Meetup

Description

- Socializing event, family-friendly, safe outdoor meet.

Details

- 17 people attended.
- Fall activities included new alumni recently back from Japan. We enjoyed customary American fall treats, chatting with new and old members, trying a corn maze, etc.
- Our chapter covers some of the cost for cider & donuts.

Tips

- You can stage identical events on the same day at multiple locations – there are many cider mills with similar offerings - try for at least one meeting location in each state.
- Wear easily identifiable clothing or accessories – such as something with your chapter logo on it – so that attendees can easily find you.

Great Lakes Michigan & Ohio

Game Night (online)

Description

- A monthly event, alternating between free online games and Nintendo Switch games.
- Browser based games have included Among Us, Gartic Phone, Jackbox games.
- Nintendo games have included Animal Crossing, Super Smash Bros., and Mario Kart.

Details

- Voice chat on Discord while playing.
- Online play encourages turnout of alumni who are not near the urban metro area most events are based in.
- Current JETs can join from Japan.

Tips

- Invite alumni from other chapters.
- There is a Go JETAA (Gamers of JETAA) group on Facebook you can advertise in.

Great Lakes Michigan & Ohio

Cooking & Cocktails (online event)

Description

- Making Japanese food together online.

Details

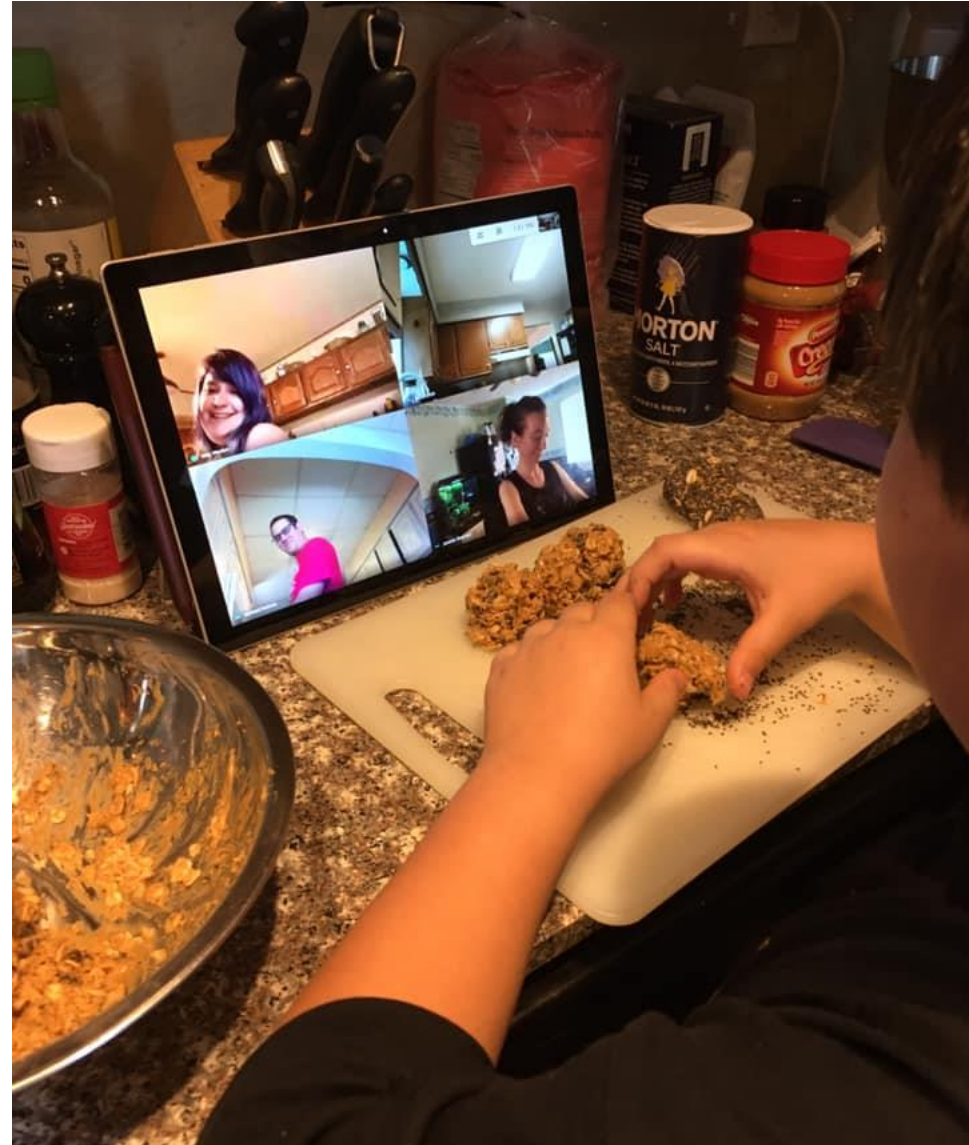

- Recipes are shared ahead of time so that attendees can purchase ingredients.
- We cook together on Zoom from our home kitchens, then socialize while eating together.
- JET alumni from different regions can participate without a commute.

Tips

- Use relatively easy recipes.
- The host should test the recipes first.
- Include instructions for a non-alcoholic drink version (mocktail).
